

EMERGENCY RESPONSE

EVERY DONATION BENEFITS
THE COMMUNITY WE SERVE.

Our hospital's Emergency Department team provides exceptional care despite a facility that is small, overcrowded and sometimes frightening for those patients who need it.

Currently, Langley patients must travel to Abbotsford or Surrey for their MRI scans. A new MRI Suite in Langley could perform up to 7,500 exams within its first 12 months of operation.

Dr. Richard Hsu, Emergency Department Physician,
Langley Memorial Hospital.
